

Division 16 Needs You

A message from your Division Chair

"My Division needs me? For what?"

For everything.

The strength of our Division is no more than our members. Division 16 has (at this writing) essentially 6 fleets that are active enough to host regattas. Some are doing great. But some of them are just barely hanging on; their membership is low, and so are their funds. It's hard for them to maintain enthusiasm.

How can you help?

It's pretty easy – just attend the regattas and fun events that come your way! You may be tempted this summer (since the price of gasoline is so high) to skip an event because of the cost. But see if you can't find another way: Double-stack, car-pool, do what it takes to get there. And better yet, bring a friend!

Your friend will thank you for a wonderful weekend and for showing them a great way of life.

The event organizers will thank you.

And me? I'm already thanking you in advance – because I know you'll come through.

See you on the water!
